

Branding & Merchandise

Hi legend,

Your Walk 'n' Talk for Life starter pack will include a collection of branded T-shirts to get you started. You will also receive a marquee and one banner flag so that you're set up and ready from your first walk. Having this signing in place will help people find you and trust that you're a legitimate organisation, there to help. We can also provide a trestle table if needed.

In colder regions, beanies are available, and we can also supply caps to help participants stay sun-safe and help raise more awareness about your walks.

When your stock of branded merchandise is running low, please get in touch with our head office to discuss placing a new order. Simply email hello@walkntalkforlife.org.au and we'll get your sorted.

Keep on making connections and helping improve our community.

Kind regards,

Shannon + The Walk 'n' Talk for Life Team
