

Please consider supporting our growing community

Hello,

Thank you for your interest in supporting the charity, Walk 'n' Talk For Life Foundation.

The simplest way to support the Foundation is with a donation, as these funds are then used to promote and manage existing walks (like the one at Oberon), as well as to help us connect to more and more communities.

Walk 'n' Talk For Life Foundation is now a charity with DGR status, so all donations over \$2 are tax-deductible. You can donate via our website, and a receipt will be automatically sent to you.

[DONATE HERE](#)

Another way to support us at the walks is with donations of tangible supplies that we use for the BBQ's like sausages, bread and water bottles, etc. If you would like to donate products for the BBQs, you can simply bring them along to a walk, once we confirm the date and the item.

It is imperative that we discuss these donations beforehand, to allow us to manage the quantities and the walk date/s for any food and product donations. I trust you understand. :)

We also have some sponsorship opportunities available where a business can provide funds for a walk, which helps buy quantities of our yellow T-shirts. At a certain level, these sponsorships include the business name being printed on the T-shirts. If you are interested in this type of support, please let me know, and we can provide you with more information.

Thank you for considering donating to Walk 'n' Talk For Life Foundation. We appreciate ALL the support we receive, in all forms, so let me know what would suit you and your business.

Have a great day,

Kind regards,
